Reading Horizons Discovery® Spelling Lesson Week 27
Cloze Passage

Name _____ Date _____

Chimpanzees

Chimpanzees are smart animals. They can learn to play computer games. Most chimpanzees live in rainforests. They are omnivores, which means that they eat many different things like fruits, nuts, plants, and meat. Sadly, the number of chimpanzees in the rainforest is decreasing because forests are being cut down. It is important to prevent chimpanzees from becoming extinct.
