**Cloze Passage**

Name \_\_\_\_\_ Date \_\_\_\_\_

Based on *Reading Horizons Discovery® Little Book*  
“Inventions From the Middle Ages”

The period of time from 500 AD to 1500 AD is known as the Middle Ages. It was a tremendous time in history. This time period saw a continuous flow of new ideas. It also saw the production of many famous inventions.

Some of those inventions had their introduction during the Middle Ages. Of course, there have been revisions, but many of those inventions are still in use today.
