Cloze Passage 1

Name _____ Date _____

Based on *Reading Horizons Discovery® Little Book "Hens"*

Do you think you like eggs? If you do, then thank a hen. Hens like to dwell with other hens. Hens make nests with thin twigs. Some of them use bits of cloth. The nests are for eggs. Each hen can lay one egg in a day. If you do the math, that is a lot of eggs! When there is a thump from an egg, then a chick will come out. There are many fun things about hens.
