## Lesson 57: Most Common Words List 13

A. Even though I knew I should study for final exams, I needed some fresh air I thought a change of scenery might refresh me. So, I decided to go away to an old, abandoned house in the hills. When I arrived, I knocked on the door to make sure no one was home, but there was no answer I went inside, took off my jacket, and began to look around.

That night, I thought I heard animals in the attic. Were they rats? When I went up to check, I found a letter. It was addressed to my mother I read page after page. It was clear that the person who wrote the letter could not spell. At a certain point I realized that I had written the letter myself! I must have been a very young child. But how had the letter gotten to this abandoned house? Suddenly, my phone began to play a song; it was my alarm. The whole night had passed while I was in the attic.
