B. I'm beginning to think my friends and family are acting strangely. For example, I saw my brother a few days ago, and he seemed to be hiding something, but I might have been imagining that. I continue to feel odd as I walk along the street, turn left into my apartment building, and open my door, when I hear, "SURPRISE!" I don't know how they hid the party from me! It must have been hard since we're so close. They threw me the best surprise party of my life! I decide right then that my brother will be the next to get a surprise party, even though his birthday is a while away.
